

Operational paint pattern. Black US Army lettering on 2 sides.

Some sustainers had US Army lettering on 4 sides.

Booster paint varied. Some boosters were all olive green, including fins; some were all white, some were white with olive green motors.

Display at VFW post 2943, Brown City, Michigan. Black US Army lettering on 4 sides, running in same direction (U at bottom, Y at top)

- White
- Olive green
- Red
- Primer green
- Dark metal lake blue
